This measurements contains recommendations submitted for DA/S approval. Such recommendations are contained to personal 6.

I. PROBLEM:

Determine whether employees of the Office of Breining now paid from confidential fields can be paid from woodscred finds editions adversely affective mountity and ower.

2. PROPER DESIGNATION OF THE PROBLEM.

25X9A2

a. There are confidential funds positions on the office of Training T/O (as of 26 sept. 58). These positions are:

25X9A2

25X1A6a

payroll was transferred from confidential funds to wantered funds effective 16 December 1975.

25X1A6a

payroll was transferred from confidential funds to vousbored funds effective 1 May 1956.

d. Agency policy concerning the most of funds is that wouthered funds are to be used insofar as operational escurity and the regularments of operations will promit. Confidential funis are to be used for the support of strictly covert operations and for extraordinary as emergency rejudrements, where the nature of CIA activities preclade consiliance with other statutes and procedures and normal - (with about 1964) dille insurance

HET CONFIDENTIAL

Approved For Release 2001/09/07: CIA-RDP80-01370R000200010041-4

4. MOORGAN

Representatives of the Office of Comptroller, Office of Security, and Control Cover Division have reviewed the situation, taking into consideration Agency policy espectation the use of funds, and agree that il Office of Training positions with the exception of the 37 positions listed below can be paid from voundered funds without distanting the executity and cover of the Agency and personnal utilizing its services. These positions are

25X1A6a

- (1) The 10 Aunier Officer Trained Corps positions provided for personnel who are to be maintained in a covert status.
- (2) The 35 Covert Training positions provided for personnel who conduct deep cover agent training.
- (3) The one School of International Communication (Chief of School) which the Inspector General requests be paid from confidential funds while filled by the present incombent.
- b. The individuals transferred to weathered funds will still be properly protected cover-wise through such devices as the customery arrangement for denial of Agency employment in the event of injury at Read parters.
- c. Himos the igency presently reinburses the parent service for the mallitary positions at the from vouchored funds there is no remon for carrying these positions on the confidential funds 7/0 or for obligating these on confidential funds.

25X1A6a

25X1A6a

25X1A6a

25X9A2

- d. The procedure to be applied to the payment of local bire positions would be to pay by each and/or special project check issued at managed with payroll and leave records maintained at managed provided to riscal division at Bandquarters. Administrative and faculty and assessment and evaluation positions would be payrolled by Fiscal Division with Treasury checks issued at Bandquarters. The Treasury checks used for wantered funds payrolls are no more transcable to the Agency than are confidential funds Treasury checks currently in are.
- The Chief, Technical Accounting Staff has determined that a payroll conversion from confidential funds to wouchered funds is feasible, however, the specific detailed procedures remain to be developed. The Office of Forecomal will have to process personnel actions and adjust the T/O.
